BYC Presents 2009 Buckbinder and Gordon Awards

The most prestigious awards the Belmont Yacht Club bestows each year went to two very deserving winners. Each year the Belmont Yacht Club presents the Buckbinder Award to a member for the most outstanding contribution to the progress of our club. This beautiful Helmsman's Wheel trophy of rare woods was established in honor of Edward Nathan Buckbinder because of his spirit of unselfish and unstinting service, outstanding club loyalty and unflagging co-operation. This year the prestigious Buckbinder Award was presented to Past Commodore and current Treasurer, Charles Goes.

The Gordon Award is a second award presented annually by the club and is given each year to a member who has accomplished a navigational feat. Because of his circumnavigation of Lake Michigan this summer, the 2009 Gordon Award was awarded to Fleet Captain and Board Member Dana Ott. Congratulations Dana.

All current BYC members can qualify to win this award, so if you complete a challenging bit of navigational prowess during this coming year, please make a club officer aware so we may consider you for next year's tribute.
